

**Memorandum of Understanding
Between**

And Alabama MBOC

The Alabama Minority Business Council (MBOC) is committed to building the asset base of certified Minority Business Enterprises (MBEs) as a means of building sound economic and socially responsible communities.

_____ has goals to maximize competition in the purchase of goods and services and increase purchasing opportunities to minority owned suppliers.

The Alabama MBOC and _____ agree to enter into a relationship for the purpose of identifying sources of contract and procurement opportunities for minority businesses to help _____ meet their objectives.

_____ will:

E-Mail or communicate to the Alabama MBOC procurement opportunities.

Provide the Alabama MBOC confirmation of suppliers given purchase orders or contracts as a result of Alabama MBOC activity.

Alabama MBOC will supply capable and qualified MBE's in a timely manner.
